

## Network Vulnerability Trend

Graphically illustrates how the number of vulnerabilities on the network has changed over a given time-span.

Date generated: 08/02/2006 09:33:03

This trend report was generated from data in the following scans :

Scan Date & Time	Scan Profile	Scan target reference
18/01/2006 10:22:12	Default	file:list.txt
11/01/2006 10:35:18	Default	cbxp
16/01/2006 10:50:20	Default	file:list.txt
16/01/2006 11:14:17	Default	file:list.txt
12/01/2006 11:58:51	Default	file:list.txt
17/01/2006 12:01:41	Default	file:list.txt
10/01/2006 12:13:27	Missing Patches	file:list.txt
16/01/2006 12:14:18	Default	file:list.txt
16/01/2006 12:36:26	Default	file:list.txt
11/01/2006 13:01:33	test	hori
11/01/2006 13:02:45	Default	hori
